Location

Ragunathapalle village, Jangaon
district — Hyderabad, Telangana,
India.

Email

kavyamandala2@gmail.com

Top Skills

Python

Core programming for data analysis and scripting.

SQL

Database querying and data manipulation.

C++

Foundational programming and algorithm implementation.

Data Analysis

Exploratory analysis, visualization, and insights.

Professional Snapshot

Current Role

Intern at Infobyte — gaining hands-on experience in software and data projects.

Career Focus

Data analytics, software development, problem solving, and continuous learning.

Education — Princeton Institution of Engineering for Women

Bachelor of Technology (BTech)

Computer Science & Engineering, Data Science track — expected 2024.

Practical Experience

Software internship projects and coursework focused on analytics and development.

Projects & Hands-on Work

Analytics Dashboards

Build interactive visualizations to summarize datasets and reveal trends.

Automation Scripts

Develop Python scripts for data cleaning, ETL, and task automation.

Learning & Growth

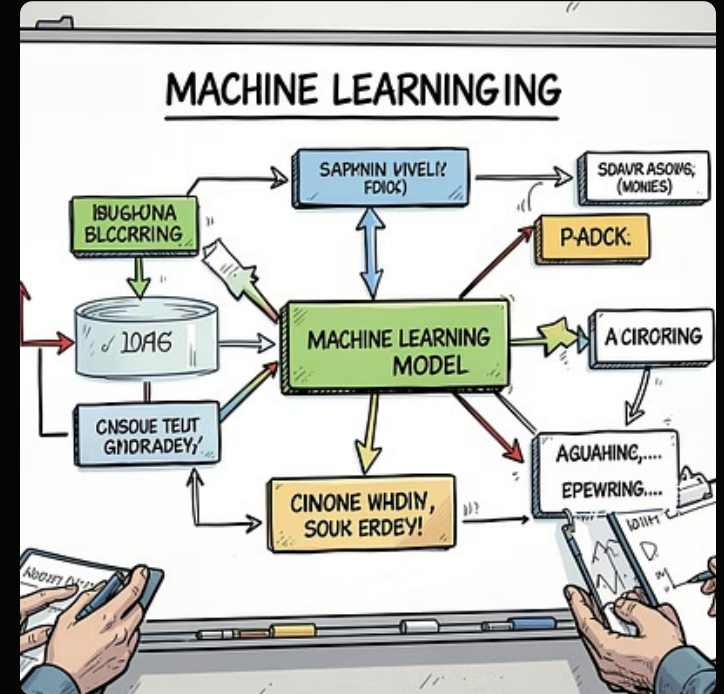

Focused on sequential growth: coding fundamentals, database fluency, then applied analytics in internship projects.

Portfolio Highlights

```
1 13 Saitte bdder sypt "DQL";
2 1 { Sode dis furior() {
3 2 docodeer: Sdhe: "F Petods "SQ"??);
4 3 hredaodot Qde: "M?Octoet (itlin (QQL:"";

22 21 }
```

Selected visuals from coursework and internship work demonstrating analytics, querying, and modeling.

Professional Presence

LinkedIn

www.linkedin.com/in/kavya-mandala-b58300 — profile highlighting education, internship, and skills.

Availability

Open to learning and growth opportunities in data analytics and software roles.

Quick Resume Card

Education

Princeton Institution of Engineering for Women — BTech, CSE (Data Science), 2024.

Experience

Intern at Infobyte — software and data projects.

Skills

Python, SQL, C++, Data Analysis.
